

GETXOPHOTO

Posted on 21 sierpnia 2012 by Maciej C

Getxophoto International Photography Festival in the edition of 2011 choosed the theme of «In Praise of Elderly» we thoguth that the cross stitch it was a great idea to represent the elderly. The poster was designed in Photoshop and then gave it to a professional in the cross stich media in Madrid to knit it on paper. The client loved the design and the cross stitching in a contemporary style.
